We are proud to introduce the SpaceTech + AI + Robotics Lab at our school — a giant leap towards future-ready education! 🚀🤖

💡 This lab will be a permanent asset of the school, offering hands-on learning in robotics, artificial intelligence, and space technology — fields that are shaping the world!

👨🎓 Students will:

- ✓ Build 10–12 practical projects every year
- ✓ Learn through real-time experiments, not just theory
- ✓ Appear for a final Theory + Practical test
- ✓ Receive a certificate from ISRO — a prestigious boost to their profile! ✨

💰 All of this at a nominal cost of just ₹175/year .

🌟 This is a golden opportunity to give our children exposure to the kind of skills and technology the future demands.

Dear Parents,

Greetings!!

Today in the Science Club, Grade 8_ students enjoyed hands-on activities exploring exciting concepts:

◆ Made DIY 3D hologram projectors using mobile videos — learning about light reflection, perspective illusion, and symmetry.

◆ Conducted an activity to see how CO₂ acts as a fire extinguisher.

◆ Created fun Diwali pop-up paper crackers, learning basic motion design.

It was a fun and insightful session!

It has been observed that after school dispersal, some students sitting with parents in the adjoining garden are damaging plants, plucking leaves and flowers, and breaking water pots kept for birds.

Such actions show lack of discipline and responsibility and will not be tolerated.

❁ The garden and bird water pots are meant to protect nature and promote kindness towards living beings.

→ Students found indulging in such acts will face strict disciplinary action.

→ Parents are requested to supervise their children while waiting after dispersal.

Let us work together to respect nature and school property.

Dear Grade 2 Parents,

Please ensure that you arrive by 2:00 PM sharp. Parents are requested to drop their wards at 2:00 PM near the Shutter Area and hand them over to the teachers present there.

Your ward's programme will begin at 3:15 PM in the Auditorium. Parents will be able to reach the auditorium only after visiting all the designated routes and areas, so punctuality is essential.

After the programme, children can be collected from the same Shutter Area, following the designated route.

Kindly note that the routes are already fixed, and breaking or changing the route is not permitted. We request parents to strictly adhere to the timings and routes for the smooth conduct of the programme.

Please be assured that your children will be safe and under the supervision of the teachers until you reach the collection point.

Thank you for your cooperation.

Dear Parents

Greetings!!

After the successful completion of our three-day Carnival, we sincerely appreciate the enthusiastic support and wholehearted participation of our parents. Your presence in large numbers truly motivated and encouraged our students, making the event a memorable success.

As a mark of appreciation and to allow students to relax after the event, tomorrow, Monday ,2/2/2026 will be a holiday.

✦ Regular school will resume from Tuesday 3/2/2026.

Regards,
